

GNODI NODE PURCHASE AGREEMENT

This Gnode Node Purchase Agreement (the “Agreement”) is made and entered into by and between Cirrus Networks (“Seller”), acting on behalf of the Gnode Consortia DAO, and the undersigned Buyer. This Agreement outlines the terms and conditions governing the purchase, ownership, and operation of a Gnode Node, a software component that contributes to the functionality and security of the Gnode Blockchain network.

RECITALS

WHEREAS, Cirrus Networks is a provider of decentralized infrastructure services and offers Gnode Nodes for those seeking to contribute to the Gnode Blockchain network; and

WHEREAS, the Buyer desires to purchase a Gnode Node from Cirrus Networks, and Cirrus Networks agrees to sell the Gnode Node under the terms outlined in this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and promises contained herein, the parties agree as follows:

1. DEFINITIONS

- **Gnode Node** – A software component that contributes to the decentralized operation of the Gnode Blockchain by processing transactions, securing the network, and maintaining blockchain integrity.
- **Purchase Price** – The agreed-upon amount to be paid by Buyer to Cirrus Networks for the Gnode Node(s).

2. GNODI NODE TERMS

- The Gnode Node is a participation tool in the Gnode Blockchain, designed to contribute to decentralization and network security.
- Gnode Nodes are not investment products, and no guarantees are made regarding potential digital rewards.
- The performance of a Gnode Node depends on various external factors, including network activity, governance decisions, and blockchain protocol changes.

3. DELIVERY AND ACTIVATION

- Upon successful purchase, Buyer will receive access to their Gnode Node software.
- It is the Buyer’s responsibility to set up and maintain their Gnode Node, either independently or via a third-party service provider.
- Cirrus Networks does not provide hosting services and is not responsible for ongoing operational costs.

4. WARRANTIES AND DISCLAIMERS

- Cirrus Networks warrants that the Gnode Node software will be provided free from material defects.
- Cirrus Networks does not guarantee uptime, rewards, or financial performance of any kind.
- Buyer acknowledges that the blockchain industry is evolving, and unforeseen technical, regulatory, or economic factors may impact the Gnode Node and its functionality.

5. BUYER RESPONSIBILITIES

Buyer agrees to:

- Operate the Gnode Node according to the guidelines and best practices outlined by the Gnode Blockchain network.
- Secure their Gnode Node to prevent unauthorized access or misuse.
- Cover any applicable fees, including but not limited to, maintenance, transaction, and operational costs.
- Comply with all relevant blockchain network rules and regulations.

6. CONFIDENTIALITY

Both parties agree to keep proprietary or sensitive information confidential and not disclose it to third parties without prior written consent unless required by law.

7. INTELLECTUAL PROPERTY

- Cirrus Networks retains ownership of all intellectual property rights related to the Gnode Node software and associated materials.
- Buyer is granted a limited, non-transferable license to operate the Gnode Node in accordance with this Agreement.

8. TERMINATION

This Agreement may be terminated under the following conditions:

- If either party breaches a material term and fails to remedy such breach within 30 days of written notice.
- If either party becomes insolvent or subject to liquidation.

Upon termination, the Buyer must immediately cease using the Gnode Node, and any outstanding fees become due.

9. LIMITATION OF LIABILITY

To the fullest extent permitted by law, Cirrus Networks shall not be liable for:

- Any indirect, incidental, or consequential damages arising from the use or failure of the Gnode Node.
- Any loss of digital rewards, network disruptions, or changes in blockchain protocol affecting performance.

10. GOVERNING LAW AND DISPUTE RESOLUTION

- This Agreement shall be governed by the laws of Utah.
- Any disputes arising from this Agreement shall first be resolved through mediation before escalating to formal legal proceedings.

11. ACKNOWLEDGEMENTS AND RISKS

By purchasing a Gnode Node, Buyer acknowledges and agrees to the following:

General Blockchain Risks

- **Non-refundable Purchase:** All Gnode Node purchases are final and non-refundable.
- **Market Volatility:** Blockchain networks are subject to high volatility, regulatory shifts, and evolving governance structures.
- **Evolving Technology:** The Gnode Blockchain may undergo protocol changes that could affect Gnode Node operations.

Digital Rewards – Limitations and Risks

- **No Guarantee of Digital Rewards:** Operating a Gnode Node does not guarantee the receipt of digital rewards.
- **Network and Market Dependency:** The distribution and value of any digital rewards are determined by external factors, including network participation, demand, and governance decisions.
- **No Third-Party Distribution:** Cirrus Networks does not distribute digital rewards and is not responsible for their issuance or liquidity.

Utility and Decentralized Governance

- **Gnode Nodes are Utility Tools:** They are not designed or marketed as financial investments or an investment of any kind.
- **Community-Driven Network:** The Gnode Blockchain operates through decentralized governance, and its success depends on active participation from the Gnode network community.
- **Limited External Value:** Any digital rewards earned may have limited or no value outside of the Gnode Blockchain network and/or ecosystem.

Software and Network Dependencies

- **Software Updates:** The Gnode Blockchain may require software updates that could impact node operations.
- **Third-Party Infrastructure:** The network may rely on third-party services for continued operation, and Cirrus Networks is not responsible for their performance.

12. BUYER CONFIRMATION

Before purchasing a Gnode Node, Buyer confirms that they have:

- Read and understood this Agreement in its entirety.
- Reviewed the General Terms and Conditions, Privacy Policy, and Refund Policy.
- Conducted their own due diligence and are making an informed decision.
- Not been promised or led to expect any guaranteed returns or financial gains from purchasing a Gnode Node.

IMPORTANT NOTICE

If any person has suggested that purchasing a Gnode Node will result in financial gains or profits, Buyer must immediately notify Cirrus Networks at support@cirrusnetworks.io before proceeding with the purchase.

IN WITNESS WHEREOF, Buyer has executed this Agreement as of the date of purchase.

Digital Acceptance
